

Alex Mandiola

HIGHLIGHTS

12 yrs. of experience in International TV/ Film Documentary Production.

- **CREDITS:** Extensive experience in both domestic and international production as Director of photography, Camera operator, Drone operator, Movi operator. Networks: National Geographic, BBC, PBS, CNN, CBS, Netflix, ESPN, FOX, Discovery, Travel Channel, Italia 1.
- **CAMERAS:** Canon C300II, Sony FS7, Sony F55, Sony Venice, Panasonic Varicam, Panasonic EVA1, Arri Alexa, Arri Alexa Mini, Red.
- **NON FICTION & COMMERCIAL:** Extensive experience with vérité documentary, non-fiction television, Drone and specialty camera moves.
- **LOCATIONS:** Experienced working on domestic (Incl Alaska and Hawaii) and international locations; Japan, Chile, Ecuador, Peru, Africa, Costa Rica, Bahamas, S.Korea, Canada, Spain, Mexico, Iceland etc.
- **HIGH RISK EXPERTISE:** Working with extreme nature, high risks shoots that involves special activities such as; day/night time drones, helicopter, Airplanes, boats, climbing, deep diving, free diving, mountains, deep jungle as well as remote locations. Scuba certified/Dan Insured, Faa 107 Licensed.
- **COMMUNICATION SKILLS:** Excellent communicator, efficient hard worker with effective problem solving and people skills. With an unwavering work ethic, comfortable filming in any situation. I'm at home everywhere from adventuring deep in the backcountry; out at sea for months at a time (MV Alucia); hiking Mount Everest; to bouncing around the back of a van in another country, or on a fully loaded commercial set.
